NOTES FROM THE CHIEF

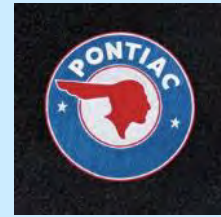

November 07, 2023 – President's Notes

Hello everyone, the month of October has been a wonderful opportunity to be with other car clubs and communities in celebrating the Halloween spirit with a number of trunk-or-treating events as the car clubs' hand out candy from their decorated car trunks. We decorated our 1964 GTO convertible to participate with the Poway Cruisers Halloween Event and pass out candy from the Lowe's parking lot on Poway Road. The cars and members were all decked out for Halloween. We had a great time and we took many photos of the creatures of the night.

We just came back last night from Tucson, AZ. J.C. drove our 1964 GTO convertible and I was the navigator. We went to the POCI Western Regional "RoundUp 2023" hosted by the Arizona POCI Chapter No. 29. The event was very well planned out with lots of activities, cruises, mixers, banquets and of course a great car show with some amazing one-of-a kind Pontiacs! More info on this event is included in the newsletter.

NOTES FROM THE CHIEF

The month of November is our time to nominate, then vote on club officers and volunteer positions. A form will be provided in this month's newsletter for you to fill in with nominations to include your name, or your choice of a fellow member to support our club. Nominations will be consolidated at the next club meeting on November 14th and voted upon at that meeting. With that said, this is an important meeting to attend to make your vote count. You can send in your ballot to either emails y2kchief@att.net (J.C. Dumas, VP) or sdumas4@att.net (Sue Dumas, President) prior to the meeting on the 14th. We will gather the entries and include them in the nominations and voting for positions at the November meeting.

Please consider yourself as a valued member and elect yourself and others upon their dedication, knowledge, or enthusiasm for the preservation of the Pontiac breed.

Keep on Cruising!

Sue Dumas, SDPOCI President

NOTES FROM THE NEWSLETTER EDITOR

Wow, as I write these notes, Thanksgiving is just two weeks away! This year has just flown by! We've lost some very special club members this year and they will never be forgotten. We've also hosted another memorable (10th annual!) Cops and Rodders Car Show and had a number of cruises, club gatherings and a pool party! But for me, the highlight of the Pontiac year just concluded, and that was the POCI Western Regional "RoundUp" hosted by the AZ Chapter no. 29. This was a really well planned and fun event. It was also the first time in the 34 years I have owned my Firebird that I drove it over state lines! (Last year I had my car at the POCI National Convention in Catoosa, OK but it was transported to and from CA while Greg Raymond and I flew in to Tulsa) A smile came across my face as I crossed over into Yuma and saw the AZ welcome sign. Full coverage of the RoundUp is provided in the pages to follow.

As Sue mentioned in her Notes, nominations for Club Officers and Club Support positions for the 2024 year are now open. A ballot is included in the newsletter. Please make the effort to come to the Nov. meeting, but if you are unable to make it, please email your ballot to Sue or JC prior to the meeting on Tuesday, Nov. 14. And yes, the position of Newsletter Editor is open! Please feel free to nominate yourself or another club member. I will provide my full support to the incoming newsletter editor, as I did with Tom Diot a few years back, providing the publishing software currently used if desired.

Enjoy each day with your family, loved ones, friends and favorite Pontiacs!

SDPOCI Newsletter Editor

SAN DIEGO POCI CHAPTER #58 MEETING MINUTES

SDPOCI Monthly Club Meeting: 10 October 2023, Meeting began at 6:12 p.m.

Opening: Sue called the meeting to order and welcomed everyone. There were 13 members present and three guests, David Baker, James Bates, and Thor Eakes. James Bates introduced himself and talked about his cars, a '66 Mustang, '56 Belaire that was sold, and his current project, a '66 GTO hardtop that he's restoring with his daughter. David Baker introduced himself and talked about his '69 GTO and his '56 Safari.

Treasurer's Report: Geoff Fischer reported that there are 36 paid members. Show report for the Cops and Rodders Fall Pow Wow had 173 registered cars, with 171 paid. The opportunity drawing brought in \$1,070. The 50/50 drawing was \$295 each for the lucky winner and the club. Show details and reconciliations will be done in another meeting.

Racing Reports – On November 18th the Pontiac Outlaw Racers will be holding an event at Barona Speedway in Lakeside. Geoff and Randy will be racing. Monica said details can be found on Barona.com website.

New Business:

J.C. Dumas talked about our Cops and Rodders Car Show. He reported that everyone seemed to have had a good time and felt overall it was a success. We got a clean report from the Port District so our club deposit will be returned for the venue. J.C. thanked all the club members who volunteered their expertise and support before, during, and after the show. J.C. said we'll need to research through the Car Association History of shows and make sure our next show date won't conflict with the San Diego Symphony, since we play D.J. music and have announcements on speaker.

Sue asked for a motion to vote on a donation in Paul Aguilar's name for one of the charities the family listed in his obituary. A motion was made to donate \$150 and all present voted yes.

Old Business:

No old business was brought up.

Motion to adjourn by: Bill Baugh

Motion 2nd by: Serge DeSilva

POCI WESTERN REGIONAL "ROUNDUP" TUCSON

WELCOME MIXER AT THE ROLLING THRU TIME AUTO MUSEUM

There was a Welcome Night Mixer at the newly opened "Rolling Thru Time" Auto Museum" in Tucson. We all got to enjoy a stroll through the family owned museum, followed by a pizza party and presentation of a celebrated Hollywood Pontiac. Thom Sherwood, Arizona Chapter President and RoundUp Chair, provided an in-depth presentation of the 1967 Pontiac GTO Custom Hardtop that was used as the "Hero Car" in the 2002 movie "xXx" starring Vin Diesel. The GTO

used in the film is now owned by Thom and was on display in the museum.

The museum was great, providing an awesome display of vehicles, as well as vintage sodas to enjoy with the pizza party fare.

POCI WESTERN REGIONAL "ROUNDUP" TUCSON FIREBIRD SPECIALTY CHAPTER CARAVAN CRUISE

Friday morning there were a couple of cruises organized by the Firebird and Custom Safari Specialty Chapters. The cruises were open to all RoundUp attendees, regardless of what Pontiac they were driving. Big surprise, we chose the Firebird cruise to participate in with local member Duane Shumaker leading. First stop was the "Larsen Man Cave" with an incredible collection of classic cars, vintage motor homes, wooden speed boats, a vintage diner and juke box, pool tables, shuffle board, big screen TV's, and a big game room.

FIREBIRD SPECIALTY CHAPTER CARAVAN CRUISE

We next cruised out to a scenic sight at the “Colossal Cave Mountain Park”. We took scenic pictures with the Pontiacs and the vast landscape in the background. Onto a quick lunch, then a quick stop at the Pima Air and Space Museum. We left there after a brief stop and chat then to pass by the Davis-Mountain Air Force Base “Boneyard”. So many vintage airplanes that used to be our elite air fleet. Many thanks to our guide Duane Shumaker and John Froehle, President of the POCI Firebird Specialty Chapter, for organizing the cruise!

POCI WESTERN REGIONAL "ROUNDUP" TUCSON

SEMINAR PRESENTATIONS

Upon our return from the cruise, we attended two outstanding seminar presentations. The first was by POCI SoCal member Dave Anderson who spoke on his memories of many years working with Jim Wangers, the GTO Tiger race car, and other memorable times. Dave was followed by Jeff Sawruk, son of the late famed Pontiac Motor Division (PMD) Advanced Vehicle Engineer John Sawruk and in his later years, Historian for the PMD. Top picture above show Dave and Jeff receiving recognition at the Awards Banquet from RoundUp Chair Thom Sherwood.

BANQUET DINNERS

Thom Sherwood w/ Kat
(DeLorean) Seymour

There were a number of special guests, some unannounced, at the Friday and Saturday night dinners. Tim Dye, Smoke Signals editor and Executive Director of the Pontiac Museums (Pontiac, IL and Pontiac, MI) provided a very interesting presentation on “*Musings from the Museums*”. This was followed by the introduction of John Hine Jr. whose father John Hine Sr. founded John Hine Pontiac in Mission Valley in 1957. John was there with his wife and told some great stories about growing up with Pontiac Royalty including PMD GM John DeLorean. The night was then topped off by the surprise introduction of John DeLorean’s daughter Kat (DeLorean) Seymour who was in the audience! Kat gave a talk about her late father and her current endeavor to promote donations for programs to attract young people’s interest in the preservation of the classic cars that is our legacy.

The highlight of the show was this 1963 Pontiac X-400 owned and shown by AZ Chapter member Bill Schoening. The X-400 was an experimental built for the GM show circuit by GM Styling Studio. One car was built each year for 1959, 1960, 1962, 1963 and 1964. The car had custom trim pieces and a special custom interior. This 1963 Pontiac X-400 was built out of a stock Catalina convertible. The X-400 had a supercharged 421 c.i. Pontiac engine originally built by racer Mickey Thompson. GM VP of styling Bill Mitchell supervised the design and construction of the '63 X-400. UNIVERSITY CITY CARS AND COFFEE

University City (UC) has been hosting a C&C on the last Saturday of the month for a few years but like everything else in life, it was on hiatus for the better part of 2020 and 2021. Good news, it is now back in full swing! It is held in the parking lot of the Sprouts Marketplace shopping complex on the west end of Governor Drive and goes from 8:00 to 10:00 am. A local realtor sponsors the event and provides coffee and donuts. Event must end by 10:00 am as that is the time the business's open on Saturdays. It is low key compared to our favorite JBA C&C, no burn outs and usually max's out at about 20—25 cars. But you get a wide variety of cars, everything from MG's, VW vans, flat top Ford pick-ups, 60's T-birds and Cadillacs and yes, a fair share of muscle cars. Besides the provided coffee and donuts, there is a Starbucks and a Mexican food shop, Primos, that serves up a pretty tasty breakfast burrito. Definitely worth checking out!

UC
Cars and Coffee

Please join us at our next monthly meet-up the last Saturday of every month from 8:00AM to 10:00AM at the UC Marketplace Parking Lot to share the passion for automobiles with the UC Community.

All types of vehicles welcomed! Kid friendly event!

We Invite You To Join!

Keeping The Pontiac Legacy Alive...

Formed in 1972 by a small group of enthusiasts who wanted to pool as much Pontiac and Oakland information as was possible, the first convention was held the following year in Camp Hill, Pennsylvania. Since then, POCI chapters have formed all over the country and POCI Conventions have been held every year in a variety of locations. The events include a car show, tech seminars, presentations, drag racing and a great swap meet. GMC trucks were included in 1998, due to their close relation to Pontiac.

The club's magazine, *Smoke Signals*, also started in 1972 and has evolved into a world-class, award-winning monthly that continues to raise the bar for non-commercial publications. *Smoke Signals* was redesigned in 2006 and again in 2013. Today, it is a 92 to 100-page, full-color publication printed on heavyweight paper and also comes in digital form.

We are very excited with the future of the Pontiac hobby and we invite you to join POCI and start receiving *Smoke Signals*. Please note that members get access to download our digital editions that go all the way back to 2006.

We welcome anyone and everyone with an interest in Pontiacs, Oaklands and GMCs of any age or type to join us. Just use the membership form provided and get in on the action.

Whether you have an early Pontiac, a muscle-era GTO or Firebird, a full-sized Wide Tracker or late-model Trans Am, Solstice, or G8, we have a place for you and your car.

We thank you for your time and look forward to seeing you at a POCI event soon!

information on club activities,
newsletter downloads, membership
forms and owners showcase!

The San Diego Chapter of the Pontiac Oakland Club International (POCI) was founded in 1989. We are a club dedicated to the preservation and enjoyment of all models of Pontiacs of all years. We drive 'em, work on 'em, polish 'em, restore 'em, break 'em, put 'em back together again and have great fun doing it! We are individuals, couples, and families that enjoy getting together for a variety of activities. We host an annual Fall Pow-Wow car show every summer, and participate as a club in other local and regional shows. We hold annual pool and Christmas parties, participate in many of the San Diego cruise nights, organize automotive factory, speed shop and museum tours, and join in a variety of other events throughout the year. The cars in the club range from Concourse cars, show cars, daily drivers, drag racers, and cars undergoing restoration. Our goal is to have FUN while driving our Pontiacs.

The War Whoop is the official publication of the San Diego Chapter # 58 of the Pontiac-Oakland Club International. Please email articles and associated pictures to Jim Thomson at the address below.
