President's Notes – San Diego Chapter #58

Pontiac/Oakland Club International

Hello all,

I am writing this as we are homeward bound on the I-15 South somewhere in the middle of UT, on a 13-day road trip with Leigh and our BIG dog Abby. It started from San Diego to Ivins, UT for a night with friends of the family, then to Grand Junction, CO for a night. After that, two nights in Longmont, CO visiting friends and 5 nights with Leigh's sister in Hot Springs (Black Hills), SD. And for the return trip, we stayed a night in Park City, UT. Now on our way to Las Vegas, NV for a night at another of Leigh's sisters, then back home to San Diego on 8/4. Quite a whirlwind tour through 7 states and several thousand miles with our big dog in a large rental SUV. It's been an awesome journey, despite the record-breaking temps through all states. The thermometer passing through Baker, CA was 118 degrees!!!

Even after all this, I am still reeling from the 100th celebration and POCI convention trip to Pontiac, MI, and we (of course) are all looking forward to our Cops and Rodders Car Show coming up in September. Please help if you can and volunteer for a part in making this event epic.

Take care, stay cool and see you soon!

Dave Whiteman / President SDPOCI

NOTES FROM THE NEWSLETTER EDITOR

We are in August already! This year is passing by incredibly fast. The weekly car cruises I have attended in La Mesa, El Cajon, Escondido and Encinitas (monthly) have been great! Just amazing how this old car hobby continues to thrive and even grow! I attended JBA Cars and Coffee this past Sunday, always a fun time on the Mesa! After leaving I followed club member John Tolerico in his beautiful 1972 blue Trans Am to another Cars and Coffee, this one on Prospect Street in downtown La Jolla. This was my first time attending and as you might imagine, there were an abundance of Ferrari's, Porsche's, Lambos, Aston Martin's and other high end sports vehicles, but there was also a number of very cool American muscle cars filling the street. There was only one Pontiac there when John and I arrived, Jerry Diago with his beautiful black 1968 GTO, signed by the Godfather of the GTO himself! John and my Firebirds attracted a lot of attention amongst the La Jolla crowd! Definitely worth checking this monthly (second Sunday of the month) car gathering out!

The car community lost a legendary automotive journalist, broadcaster and television personality in late 2024. Courtland Van Tune, known professionally as C. Van Tune, the former Motor Trend editor - in - chief had strong ties to San Diego and I was fortunate to attend the dedication of the C. Van Tune Media Center at the San Diego Automotive Museum last month. The new Media Center honors Van Tune's legacy and career in automotive journalism encouraging future

generations to pursue careers in the automotive industry. The center is located on the second floor veranda overlooking the museum show field (up the JBA stairway) and is set up with computers and other automotive research tools as well as a nice display of C. Van Tune memorabilia. Definitely worth a visit next time you're at the SDAM!

NOTES FROM THE NEWSLETTER EDITOR

As I sit here finalizing the August Newsletter, we are only 41 days away from our upcoming Cops & Rodders Show on September 20! This is our 20th Anniversary Cops & Rodders Fall Pow Wow and has all the makings of being a great show but we need all our members and friends of SDPOCI to spread the word, pass out flyers, volunteer for day of show support, and of course get your registrations in! Our monthly meeting is tomorrow night, August 11. JC will have all the latest news and updates for the show including where we need additional volunteers. We are also in need of donations for the raffle. Gift certificates to restaurants, museums, spas, etc are great, as are gift baskets, car supplies, tools, TV's, etc. If you already have your raffle donation, feel free to bring it to the meeting where we will collect them for the show.

Updated Cops and Rodders show flyer with a QR code for on-line registration is included in the newsletter and is also available on the SDPOCI.COM website for download.

Also a big shout out to long time members Barbara and John Pluth who celebrated their 36th wedding anniversary last month! Check out the Anniversary poster (created by their son) included after Barb's Secretary notes in this month's newsletter and it's pretty clear what has kept them together for the last 3 1/2 decades - their love of Pontiacs of course!

Enjoy the ride!

Mission Statement

The San Diego Chapter of the Pontiac-Oakland Club International (POCI) was founded in 1989. We are a club dedicated to the preservation and enjoyment of all models of Pontiacs of all years. We drive 'em, work on 'em, restore 'em, break 'em, put 'em back together again and have great fun doing it! We are individuals, couples, and families that enjoy getting together for a variety of activities.

We host an annual Cops and Rodders Fall Pow Wow car show every summer and participate as a club in other local and regional shows. We hold annual pool and Christmas parties, participate in many of the San Diego cruise nights, organize automotive factory, speed shop and museum tours, and join in a variety of other events throughout the year.

The cars in the club range from Concourse cars, show cars, daily drivers, drag racers, and cars undergoing restoration.

Our goal is to have FUN while driving our Pontiacs.

New Business

Dave Whiteman voiced kudos to the POCI International Convention organizers for celebrating the 100th anniversary of the Pontiac Motor Division. He met with other POCI presidents and found it very informative. Dave said they were duly impressed with our business cards and the fact that they provide our QR code. Praise was given to Jim Thomson for the idea of the cards and to Greg Raymond for designing them. Additionally, kudos were given to place the QR code on our flier for payment to our car show.

Dave Baker reported on his attendance at Nationals. He conversed with different chapter reps and had a meeting with people from Sweden and Holland. Dave Whiteman said that the idea of having a convention in the western United States was brought up.

SAN DIEGO POCI CHAPTER #58 MEETING MINUTES

Baker also informed everyone that bricks could be bought for placement at the entry of the Pontiac Transportation Museum. Individual names, club names, etc., can be inscribed on the bricks. He will bring additional information to the August meeting.

J.C. and Sue attended the awards ceremony at Nationals. J.C. said approximately 20 awards were presented.

Old Business

C&R Fall Pow Wow. J.C. gave an overview of plans thus far.

After the show, 4-6 people are needed to pick up the trash. Professional judges are being asked to help judge the cars. Approximately 250 entries are expected.

Thor Eakes and Greg are collaborating to provide t-shirts for the show.

SDPOCI member Beatriz Alexander joined in the conversation. She previously sponsored a car show in Vista at the Ford dealership and said she would be glad to help in providing information to help promote our show.

Racing NASCAR Race at the Base - Father's Day June 14

Jim Thomson said he had no problem with traffic going to Coronado. The races started at 1pm.

Jay Bittle gave a raving report about the NASCAR first-ever race on an active military base at Naval Base Coronado in San Diego. He said it was the best ever attended. He could walk 2/3 of the track. There was tremendous security involved. There were snipers on every roof, with tripods and binoculars for three days. A three-year contract has been signed for the same location.

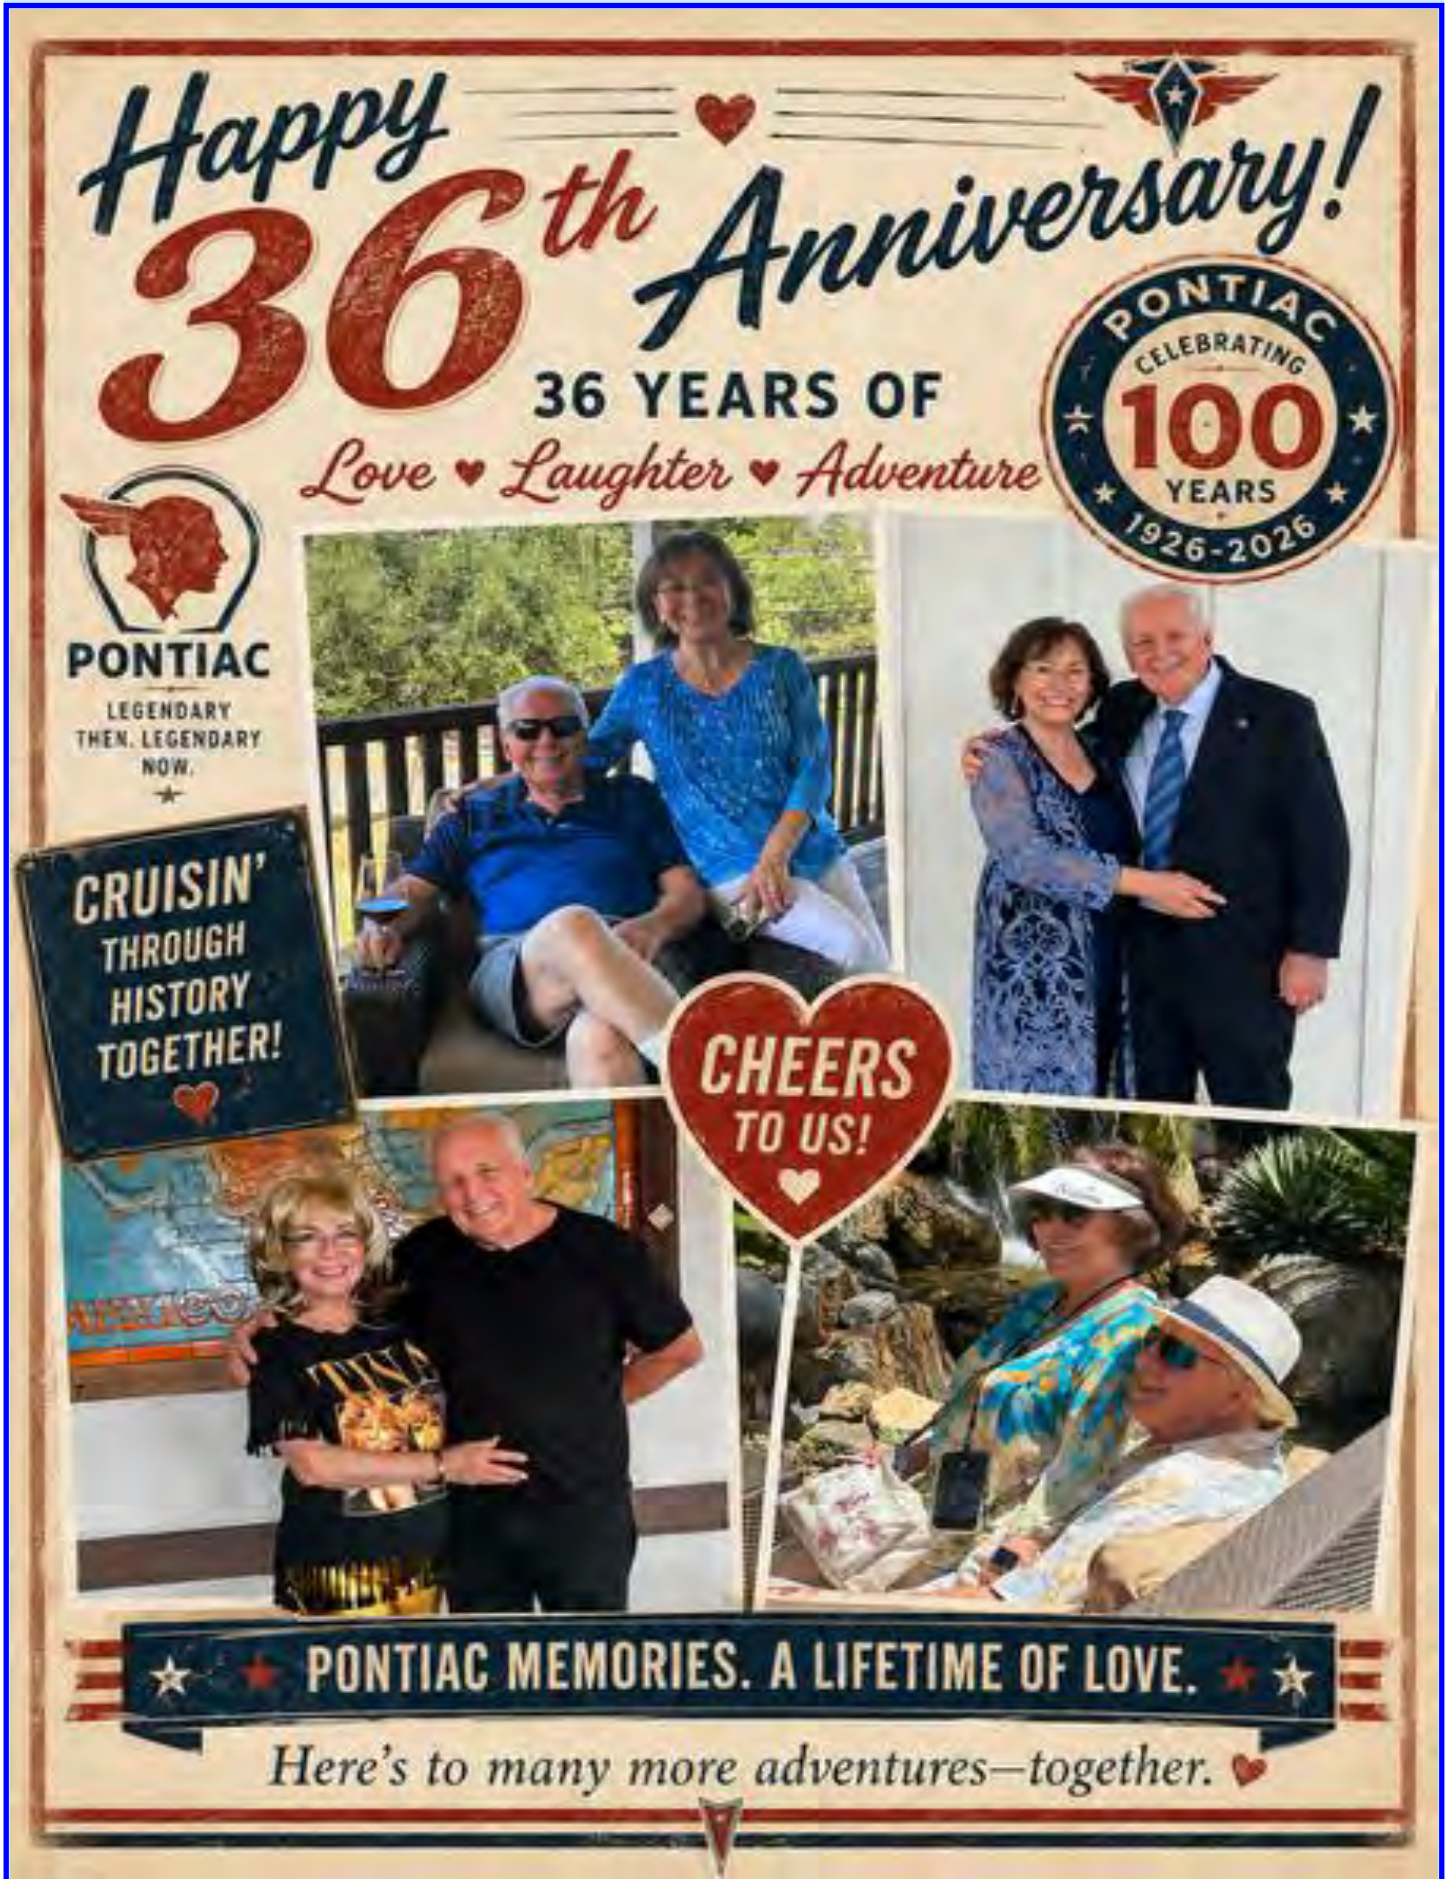

Adjournment

Dave Whiteman adjourned the meeting at 7:28 p.m.

Respectfully submitted:

FALL POW WOW CAR SHOW SEPTEMBER 28, 2025!

JOIN THE PONTIAC OAKLAND CLUB INTERNATIONAL (POCI)

We Invite You To Join!

Keeping The Pontiac Legacy Alive...

Formed in 1972 by a small group of enthusiasts who wanted to pool as much Pontiac and Oakland information as was possible, the first convention was held the following year in Camp Hill, Pennsylvania. Since then, POCI chapters have formed all over the country and POCI Conventions have been held every year in a variety of locations. The events include a car show, tech seminars, presentations, drag racing and a great swap meet. GMC trucks were included in 1998, due to their close relation to Pontiac.

The club's magazine, *Smoke Signals*, also started in 1972 and has evolved into a world-class, award-winning monthly that continues to raise the bar for non-commercial publications. *Smoke Signals* was redesigned in 2006 and again in 2013. Today, it is a 92 to 100-page, full-color publication printed on heavyweight paper and also comes in digital form.

We are very excited with the future of the Pontiac hobby and we invite you to join POCI and start receiving *Smoke Signals*. Please note that members get access to download our digital editions that go all the way back to 2006.

We welcome anyone and everyone with an interest in Pontiacs, Oaklands and GMCs of any age or type to join us. Just use the membership form provided and get in on the action.

Whether you have an early Pontiac, a muscle-era GTO or Firebird, a full-sized Wide Tracker or late-model Trans Am, Solstice, or G8, we have a place for you and your car.

We thank you for your time and look forward to seeing you at a POCI event soon!
